Orientation Week Update

All soph carousels are complete, all teams will be selected by Sunday, March 14th and Head Soph & Assistant Head Soph Training will commence on Sunday, March 14th.

Clubs Community Update

Clubs Policy Committee : we are currently in the March/April ratification period for club applications. The Clubs Policy Committee will meet on March 10th to review these applications and which student groups will become ratified as of September 2010.

Clubs Governance Review : the survey designed by Arcaro and the Public Affairs Officer will be distributed to all club executives by the end of this week. Data will be collected from the feedback and the USC will start to meet with individuals if needed.

Clubs Community Presentation : with all of the changes taking place within the Clubs Community and the portfolio of the Vice President Student Events, Arcaro will be making a presentation to USC staff about the roles and responsibilities of those who govern the clubs, the roles and responsibilities of committees that govern the clubs and recommendations for the future. Arcaro will also try to find a time and date to present to USC councillors so that everyone has a better understanding of the workings of the Clubs Community.

Leadership Development : USC Awards Banquet

Each year the USC recognizes outstanding achievement of students in academics, athletics, student government, philanthropy etc. The portfolio of the Vice President Student Events and University Affairs work closely to administer the selection of recipients who will be recognized as this years awards banquet, which will be held at London Hall on Thursday, April 1st from 4:00pm-6:00pm. All members of the USC are invited. If you would like to attend, contact RSVP to Genna Fasullo at usc.leadership.development@uwo.ca .
